Please see site for usage terms,  
and more aircraft documents.

A close-up photograph of an aircraft's fuselage. The upper portion is painted red with several small, dark rivets visible. A vertical strip of blue material, possibly a cover or a different panel, runs diagonally across the frame. On this blue panel, the text 'LIGHTNING MK. 1', 'COVER PILOT HEAD', and 'EB2-88-5711' is printed in black. To the right of the blue panel is a small, dark, rectangular plaque with four small white dots at its corners. The background shows the dark, metallic structure of the aircraft's frame.
