

GROUP E INSTRUMENT SERVICES

LIST OF SERVICES

	Group
A.C. SUPPLIES (CODE CH)	E.I

Note . . .

A list of contents appears at the beginning of each group.

Introduction

This group contains a description of the a.c. supplies circuit provided for the electrically-operated instruments installed in this aircraft together with the method of operation and the necessary servicing information required to maintain the equipment in an efficient condition. A routing and theoretical diagram

of the circuit is also provided. A general description of the electrical system as a whole is given in Group A of this chapter and detailed information on the standard components employed will be found in the appropriate Air Publications quoted in this group.
