

Chapter II EMERGENCY EQUIPMENT

WARNING

Before leaning over or entering either cockpit, refer to the lethal warning card at the beginning of this book.

1. The emergency equipment comprises two Type F, 4GT ejection seats, each incorporating a dinghy and survival equipment contained in a pack which rests in the seat pan. The seats, which are of light-weight construction, are designated Type F, 4GT/1 Mk.1 for the front cockpit and Type F, 4GT/2 Mk.1 or 2 for the rear cockpit.
2. Descriptive, servicing, removal and assembly details of the ejection seats are given in A.P.109B-0201-1 and details of their associated speed sensing units are given in A.P.101B-1801-1B, Sect.7,A, Chap.4. The personal equipment is dealt with in the A.P.1182 series.
