## NOTE TO READERS

The subject matter of this publication may be affected by Defence Council Instructions, Servicing Schedules, or "General Orders and Modifications" leaflets in this A.P., in the associated publications listed below, or even in some others. If possible, Amendment Lists are issued to correct this publication accordingly, but it is not always practicable to do so. When an Instruction, Servicing Schedule, or leaflet contradicts any portion of this publication, the Instruction, Servicing schedule, or leaflet is to be taken as the overriding authority.

The inclusion of reference to items of equipment does not constitute authority for demanding items. Each leaf, except the original issue of preliminaries, bears the date of issue and the number of the Amendment List with which it was issued. New or amended technical information will be indicated by black triangles positioned in the text thus:  -----  to show the extent of the amended text, and indicated thus:  to show where text has been deleted. When a Topic or Chapter is issued in a completely revised form, the triangles will not appear.
