Publications authority: ATP/MOD(PE)

Service users should send their comments through the channel
prescribed for the purpose in:
Naval Aircraft Maintenance Manual (RN)
AP 100B-01 Order 0504 (RAF)

A close-up photograph of the side of an aircraft. The surface is made of light-colored metal panels with a grid of circular rivets. A vertical strip of orange-yellow material, possibly insulation or a repair panel, is visible on the right side. The lighting is dramatic, with a bright light source on the left creating strong highlights and shadows.
