

RESTRICTEDDELIVERY INSTRUCTIONSSECTION G

1. The loose ancillary items denoted "C" in column 5 and "NA" in column 6 of this schedule must be delivered with each aircraft on first delivery of each aircraft.
2. The "NA" column 6 items are to be recorded in Part 1 of M. of A. Form 2738 (Deviation List).
3. In column K of Part 1 of M. of A. Form 2738 it is to be clearly stated that the items have been despatched loose and in column E of Part 1 of Form 2738 the location of the items must be recorded; e.g. the form of transport on which the loose items have been despatched.
4. The weights, of "NA" column 6 items specified in this SECTION G are NOT RECORDED as carriage of the items in, or on, the airframe has not been catered for in the design of the airframe.
5. Special-to-type Ancillary equipment is provided in two categories:-
 - (a) Items recorded in this Schedule of Special-to-type Ancillary Equipment, Section G, are items for which stowage may or may not be provided on the airframe but the items form part of the aircraft contract.
 - (b) All other Special-to-type items are GROUND EQUIPMENT and they will NOT be specified in this Airframe Appendix 'A'. They are Supplied under the terms of a separate contract for Ground Equipment, and they are not to be recorded on M. of A. Form 2738.
