

Appendix 2**AIRCRAFT FITTED WITH TYPE 4 BS MK.2 EJECTION SEATS**

1 The Type 4 BS Mk.2 ejection seat differs little from the Type 4 BSA Mk.2 ejection seat. In respect to the aircrew equipment assembly (A.E.A.) it is identical and reference should therefore be made to Chapter 2, Appendix 2 of this section for information on the A.E.A. equipping the seat, strapping-in and procedures to be taken when leaving the aircraft after landing.
