

HAND CRIMPING TOOL KIT (HELLERMANN)

Ref. No. 5X/7300
Dimensions $12\frac{1}{4}$ in. \times $11\frac{5}{8}$ in. \times $2\frac{7}{8}$ in.
Weight $14\frac{1}{2}$ lb.
Associated publication A.P.4343S, Vol. 1, Sect. 15, Chap. 10

BRIEF DESCRIPTION

This hand crimping tool kit is used for Hellermann rolled type terminals and in-line connectors. It comprises three sizes of hand compression tools which are suitable for cables up to and including Pren 24 and Nyvin 12 and also for two sizes of sleeve fixing tools.

Each tool embodies a set of appropriately sized dies for the cable concerned and produces a crimp of irregular octagonal shape that overlaps the insulation as well as the conductor.
