

GROUP F

LIGHTING SERVICES

LIST OF SERVICES

	<u>Group</u>
Cabin Lighting (Code M)	F.1
Navigation Lamps and Pressure Head Heater (Code N and P)..	F.2
Service Lamps (Code L)	F.3

NOTE...

A list of contents appears at the beginning of each group.

Introduction

A description of the electrical circuits provided for the lighting services installed in the aircraft is given in this group, together with the necessary servicing information required to maintain the equipment in an efficient condition and routing and theoretical diagram of the circuits. A general description of the electrical system as a whole is given in Group A of this chapter and detailed information on the standard components employed will be found in the appropriate Air Publications quoted in this group.
