

GROUP H
RADIO SERVICES
LIST OF SERVICES

Group

Radio and Radar Supplies (Code RT, DM, IF and RS) H.1

NOTE...

A list of contents appears at the beginning of each group.

Introduction

A description of the supply circuits provided for the radio and radar installations of this aircraft are given in this group. The necessary servicing information required to maintain the equipment in an efficient condition, together with routing and theoretical diagrams of the circuits are also included. A general description of the electrical system as a whole is given in Group A of this chapter, while detailed information on the standard components will be found in the appropriate Air Publications quoted in this group.
