Notes

1. The maximum number of British stars which may be worn is three but the number may be increased to four if attending a function organized by or for a representative of a foreign state and a star of that state is in possession of the wearer.
2. Normally the broad riband of the senior order is worn.
3. Normally the collar with badge appendant of the senior order is worn but the broad riband of this order may not be worn at the same time as the collar.
4. The ribbons of the Orders of the Garter and Thistle also of the Baronet's badge and Knight Bachelor's badge are not worn on the breast
5. May include one foreign neck badge. Women wear badges on bows on the left breast.
6. Male holders wear the chain around the neck, somewhat similar to the manner in which a collar of knighthood is worn except that the chain does not hang an equal distance at the back and in front but hangs around the neck and rests on the chest. Women should wear the chain on a bow of the ribbon of the order pinned to the left side.
7. This order is for women only.
