- ◀13** De-icing, Weldon, Type 105B
- 14**
- 15** De-icing, T.K.S., Type XA9500 series ▶

Note . . .

A chapter on pumps will be found in A.P.4343, Vol. 1, Sect. 16. The information given there is of a general nature only and it is hoped by this means to avoid repetition. Where an instruction in the general chapter conflicts with that given in a chapter concerning an individual pump, the latter should be taken as the overriding authority.
