NOTES TO USERS

These Notes are complementary to A.P.129 (6th Edition), Flying, and it is assumed that all concerned have a thorough knowledge of the chapters which are relevant to the operation of this type of aircraft.

Additional copies may be obtained from Head of Military Branch (Books), Admiralty Block C, Station Approach Buildings, Kidbrooke, by application on Royal Navy Form S134D or D397. The number of the publication must be quoted in full—A.P.4360A—P.N. (2nd Edition).

Comments and suggestions should be forwarded through the usual channels to the Admiralty (D.A.W.).

AMENDMENTS

Amendment Lists will be issued as necessary and will be gummed for affixing to the inside front cover of these Notes. Each amendment list will, where applicable, be accompanied by gummed slips for sticking in the appropriate places in the text. Incorporation of an amendment list must be certified by inserting the date of incorporation and initials below.
